VALAIS ALPS (Val d'Hérens-Val d'Anniviers)

Highlights of your tour

An exceptional alpine tour between two authentic valleys combining the strength of a preserved heritage with modernity. If you are looking for a tour in the heart of the Alps with winding roads and successive slopes to switch from landscape to landscape, this is your circuit!

In Hérens, the valley bottoms are exceptional. Splendid routes connect you to the neighbouring valley in Anniviers. This other exceptional valley invites you to visit typical Valais villages and landscapes in the shape of postcards borrowed from Swissness.
